2 November 2026

Dear Parent/Carer

Year 7 Subject Consultation Meetings

We are pleased to invite you to our Year 7 Subject Consultation Meetings on **Tuesday 17 November 2026**, taking place between 3:30pm and 7:00pm.

The consultation meeting is a valuable opportunity to meet your young person's teachers and discuss their progress, achievements and next steps in learning. Wherever possible, we encourage students to attend with you so that they can be part of these important conversations.

Appointments can be booked via Edulink and will remain available until **9:00am on Tuesday 17 Novembe**r.

As this is the first consultation evening for many of our Year 7 families, we would like to remind parents and carers that appointments are booked through **Edulink One**. Simply log in using your parent account, select **Parents' Evening** from the menu, and choose your preferred appointment times. If you have not yet activated your Edulink account, or require any assistance with booking appointments, please contact the college before the booking deadline and we will be happy to help.

Please note that, due to staffing arrangements, we are unable to offer appointments for Food Technology during the consultation evening. In addition, as the evening falls on a non-working day for Mrs Durham, appointments for **7YEn2** will be held online on Wednesday 18 November.

Appointments are scheduled in **five-minute slots**. To help the evening run smoothly and ensure all families have equal access to staff, please keep to your allocated appointment times. If a longer discussion is required, this can be arranged directly with the teacher either on the evening itself or by contacting the college afterwards.

All meetings will take place in the **Sports Hall**. Please sign in on arrival.

Refreshments will be available throughout the evening and will be served by our Student Leadership Team in return for a small donation.

We will also be displaying information about our exciting new site in North Whiteley ahead of the college's relocation in September 2027. We hope you will take the opportunity to view the plans and learn more about the project.

Please be aware that parking on site is limited. Where possible, we encourage families to walk or car share. If you are travelling by car, please allow extra time to find parking nearby.

Please be aware that parking penalties apply for:

- Parking on the soft verges along Hillson Drive
- Parking within the yellow box area of the Community Centre car park

Thank you for your continued support. We look forward to welcoming you to the college and discussing your young person's progress.

Yours sincerely

Mr R Walker
Assistant Principal - Data and Assessment
