Dear Parents/Carers

Ski Trip 2028 Confirmation of Place

We received a large number of applications and we have therefore managed to increase the number of places available to 50.

I am delighted to confirm that your young person has secured one of the available places on the Henry Cort Community College Ski Trip to Passo Tonale, Italy, which will take place during the Easter holidays in **April 2028**. This is a fantastic opportunity, and we are confident it will be a memorable and rewarding experience for your young person.

As outlined in the original information letter, the total cost of the trip will be **£1,750**, which includes:

- Return flights and overseas transfers
- Full-board accommodation
- Ski equipment hire
- Lift passes
- Professional ski instruction
- Additional ski lessons where required
- Evening activities and entertainment
- Winter sports insurance
- Personalised ski trip hoodie

To secure your young person's place, a **non-refundable deposit of £150** must be paid via **Scopay no later than 12:00pm on Monday 30 November 2026**.

If payment is not received by this deadline, the place will be offered to a student on the reserve list.

We would like to make it clear at this stage that attendance, behaviour and attitude to learning will continue to be monitored throughout the lead-up to the trip. Participation in the visit is subject to students maintaining the high standards expected of Henry Cort students. We reserve the right to withdraw a student's place should there be significant concerns regarding behaviour, attendance or conduct.

As this is an overseas residential visit, all students will require a passport that remains valid for the duration of the trip and parents will be responsible for ensuring all travel documentation is in place before departure.

Following receipt of the deposit, families will receive further information regarding the trip, including:

- Key trip dates and deadlines
- Information regarding ski clothing and equipment
- Medical and dietary information requirements
- Parent information evening details

To help spread the cost of the trip, a monthly payment plan can be found below, with instalments running through to approximately **November 2027**.

Please note that once a place has been accepted and the deposit has been paid, parents/carers remain liable for the cost of the trip. Whilst we will endeavour to replace any student who withdraws, this cannot be guaranteed and cancellation charges may apply in accordance with the tour operator's terms and conditions.

We are extremely excited to offer this opportunity and look forward to working with students and families over the coming months as we prepare for what will be a fantastic experience.

Yours sincerely,

Mr J Plomer
