Dear Parents/Carers

Ski Trip 2028 Reserve List

Thank you for your young person's application for the Henry Cort Community College Ski Trip to Passo Tonale, Italy, in April 2028.

Due to the popularity of the trip, we received significantly more applications than the 50 places available. Unfortunately, this means that we are unable to offer your young person a place on the trip at this time.

However, we are pleased to confirm that your young person has been placed on our reserve list. Should a place become available, we will be in touch as soon as possible.

From previous experience, it is common for places to become available following the initial allocation of places. Should a place become available, it will be offered to a student from the reserve list.

If your young person is subsequently offered a place, you will be contacted directly and given details of how to secure the place with a £150 deposit, along with the payment schedule for the remaining balance. The total cost of the trip remains £1,750, and a monthly payment plan will be available until approximately November 2027.

Whilst we cannot guarantee that a place will become available, we would encourage students to remain on the reserve list as opportunities often arise in the weeks and months following the initial allocation.

If at any point you would prefer your young person not to remain on the reserve list, please contact us and we will remove their name from consideration.

Thank you for your understanding and interest in the trip. We appreciate that many students were unsuccessful on this occasion due to the high demand, and we will contact reserve families immediately should a place become available.

If you have any questions, please do not hesitate to contact either of us through the school.

Yours sincerely,

Mr J Plomer
