

**The Henry Cort Community College is one of only three schools to pilot the Public Health and H3CS Healthy Eating Project and we are the first school to try new recipes!**

**HC3S will be holding food tasting sessions one lunchtime a week for the next three weeks!**

**Go to the canteen to try some tasty, healthy new recipes and vote for your favourites, and your votes will help to shape school menus across Hampshire!**

**Your top choices will go on sale, with the chance of them staying on the menu permanently if they sell well.**

**Look out for posters in the canteen and around the college over the next few weeks, letting you know that your top choices have arrived and are on sale.**
