Common barriers to progress

- Attendance
- Behaviour
- Poor organisation
- Lack of hard work/motivation
- Issues in individual subjects
- Friendship issues or concerns from outside school
- Online activity

The Henry Cort Community College

Encourage a Growth Mindset

L E A R N I N G F O R L I F E

Fixed mind-set

Leads to a desire to look smart and therefore a tendency to:

AVOID CHALLENGES

GIVE UP EASILY

SEE EFFORT AS FRUITLESS OR WORSE

IGNORE USEFUL FEEDBACK

FEEL THREATENED BY THE SUCCESS OF OTHERS

VS

Growth mind-set

Leads to a desire to learn and therefore a tendency to:

EMBRACE CHALLENGES

PERSIST IN THE FACE OF SET BACKS

SEE EFFORT AS A PATH TO MASTERY

LEARN FROM CRITICISM

FIND LESSONS AND INSPIRATION IN THE SUCCESS OF OTHERS

CHALLENGES

OBSTACLES

EFFORT

CRITICISM

SUCCESS OF OTHERS

The Henry Cort Community College

Impact on the students

Pupil progress data shows that those students who demonstrate growth mind-set characteristics radically out-perform other students by as much as 4 grades, even though their KS2/CAT tests show they have similar raw intelligence.

Computer Systems.

Each student will have received a label with their usernames and passwords for the main systems we use in school and for their homework. It looks like the example on the left.

The IT department will print a new document if the Student requests it. This information is personal to the student and therefore they must keep it safe.

Please bear in mind that students can change some of their own passwords. If they forget a password, the IT department can reset them.

Tucasi payments system.

Each student will have received a document to take home and to give to their Parents/Guardians about accessing the payments system. It looks like the example on the left.

Once connected, parents/guardians can pay for their students trips and food. Using this payment method for food is a good way to see what has been purchased.

Most parents have been using Tucasi at primary school and are familiar with the system, however if help is needed contact kad@henrycort.org.

Dear Parent/Carer

Confidential Online Account Access Information

We are delighted to welcome you to your Henry Cort Community College online account. Your account will allow you to pay for college meals online and to view what your child has purchased from the canteen, as well as checking balances for trips and to making payments.

You can use the same account for any children you have at this college, and for children at other schools which also use Tucasi secure scopay.com system.

I already have a scopay.com account for another child:

Log on to your account using your existing username and password. Select the **Link Accounts** option from the **Your Info** menu heading and enter the unique online **link code** to add Ben's account.

I don't yet have a scopay.com account:

Visit www.scopay.com/thehenrycort and **Register as a New User**. Follow the instructions on the screen to enter your details and add the unique online **link code** for Ben when prompted.

Note: Online link code is for one time use only, it is not needed once the account has been activated.

If you have received more than one account access letter, for siblings at this college, create your account as above for the first child and link the second child using the instructions in the 'I already have a scopay.com account' option above.

If you need help registering your account, you will find links to a Quick Reference Guide and a short video tutorial at www.scopay.com/thehenrycort.

Please contact the college if you require any further assistance.

Yours faithfully
