*Year 7 & 8 groups work on a rotation with other creative art subjects. This year we have introduced Graphics to the rotation as there are more students in Year 7.

GRAPHICS - Students will learn how to communicate ideas visually by exploring the basic elements of design. In year 7 the focus is on hand drawn, creative lettering and the exploration of a variety of techniques and processes. Pupils will develop ideas to produce a personal typographic outcome, whilst understanding the importance of working to a project brief.

Art	Introduction to colour theory.						Still-life		Assessment Window	Still-life						Maori Art from New Zealand						Assessment Window		Maori Art from New Zealand						Van Gogh: Bedroom and personal space		Assessment Window	Van Gogh: Bedroom and personal space								
	Computing	Baseline Assessment	Scratch Programming						Programming with Microbits	Assessment Window	Programming with Microbits		Computational Thinking		Peripheral Devices: Input, Output & Storage						Assessment Window	Peripheral Devices	Data representation, Binary, Text (ASCII) Image & Sound						History of Computing						Assessment Window	Excel and Cyber Security					
Design & Technology*		Group 1: Tourist Attraction Souvenir						Assessment Window		Group 1	Group 2: Tourist Attraction Souvenir						Assessment Window		Group 2	Group 3: Tourist Attraction Souvenir						Assessment Window		Group 4: Tourist Attraction Souvenir	Group 4: Tourist Attraction Souvenir
