You must now select the courses you would like to study in Years 9, 10 & 11. If there are any issues, please speak to your tutor in the first instance. Once all forms have been reviewed, you may be spoken to regarding your choices, if we consider it appropriate. **Please keep a copy of your choices for your reference.**

Pick a choice in the Language and Humanities columns and in the final column you must order your top three preferences with 1 being your 1st choice and 3 being your 3rd choice. We will try and get you choices 1 and 2, but this cannot be guaranteed and we may need to use your other choices.
