Military Mentors

As part of our partnership with Military Mentors Training Academy, they offer us alternative provision for some of our students. Military Mentors is a Uniformed Service College for post-16 students wishing to join the Armed Forces or Police. However, they also offer local schools the opportunity to send students to them on a day release basis and develop bespoke programmes for small groups.

They have developed a six week programme for us, starting on Thursday 9 September, focusing on:

- Taking responsibility for yourself and your actions
- Following instructions
- The consequences of not following instructions
- Working as a team

Your child has been identified as a student who could benefit from this programme and utilize the skills they learn to ensure they reach their full potential back at college.

We will travel by minibus to their Academy in Gosport, leaving here at 11.30am. This means students will need to have their lunch at break time and bring a snack and drink for the afternoon. We will be back at college at 2.30pm.

This programme will be funded by us and as such, we want to ensure that the students taking part in it are committed to fully engaging in the activities. The students' conduct within college must meet our expectations for the duration of the programme to enable them to attend weekly.

If you agree to your child being part of this initiative, please complete and return the attached form on the first day back after the holidays.

Should you have any questions, please contact me via the college office or by email sac@henrycort.org.

Yours sincerely
