Dear Parents/Carers

## **Student Finance - "The cost of university" webinar**

Does the cost of your child going to University in the future play on your mind?

With so many myths surrounding the cost of going to university, student finance can be very confusing. Experts from the University of Portsmouth Student Finance Centre have kindly offered to explain it all during a webinar on **Monday 15 November**.

They will make it clear what students have to pay for and how they usually fund their university studies. They will also inform you who is eligible, how any loans are repaid, and how to work out the actual cost to your child. There will also be an opportunity for attendees to ask questions.

If you would like to join the webinar, please use this link to register your interest:
