Dear Parent/Carer

Principal's update

As you are aware windows have been open since the return to college in September to aid ventilation in classrooms. We are still awaiting our monitors that the Government said we will receive. As the weather is turning colder, we have turned up the heating to counteract the temperature changes. Students are advised to wear a plain white base layer under their shirt or wear a Henry Cort jumper under their blazer to keep warm. The college jumper can also be worn in PE lessons over the polo shirt, other jumpers and hoodies will not be permitted and coats can only be worn outside. Our uniform expectations can be found in student planners and on our website: <https://www.henry-cort.hants.sch.uk/uniform>.

We would like to acknowledge and thank students who have been isolating with Covid and have managed to stay on top of their work. If your child has been unwell, and has not managed to do the work on the [Google Classroom](#) hub, they may wish to think about, and plan, how they can catch up. Study support sessions are available for all students after college every day should they wish to use them, where a member of staff can support them with this work. All completed work set on the hub in Google Classroom should be submitted to the class teacher. The classroom codes for each subject can be found in ClassChart announcements.

We would also like to remind you that students must wear PE kit during all PE and dance practical lessons. If your child has an injury/illness and will not be participating, they are still required to have their kit as they will be asked to adopt a coaching/officiating role within the lesson.

If a student cannot participate in a PE/dance practical lesson due to an injury, we must receive an email stating what the injury/illness is and a time frame of when they should be able to return to taking part in lessons. Emails must be sent directly to the PE department: pecomms@henrycort.org and must be sent prior to the start of the lesson, unless the student is on a formal Risk Assessment.

Thank you for your continued support.

Yours sincerely

Ms C Cabbage
