Dear Parent / Carer

COVID vaccinations

As you have probably heard through the recent media releases, the JCVI and Government have agreed that children age 12-15 years old will now receive a 2nd dose of COVID-19 vaccination through the school age immunisation service.

Please find attached a letter from the school immunisation service with information regarding the COVID-19 vaccination programme, the link to the electronic consent form.

Parents/carers only need to submit 1 form per child. If you make an error when completing a form please contact the school age immunisation team to correct the error, rather than submit another form.

Please note that the COVID school vaccinations are open for children aged 12-15 years old for **both 1st and 2nd dose vaccines.**

If you do not know your child's NHS number, you can use this link to find it:

<https://www.nhs.uk/nhs-services/online-services/find-nhs-number/>

Consent forms should be complete by **10am on Wednesday 2 March 2022** to ensure consents are received in time for the vaccination session on **Friday 4 March 2022**. Please be aware that the date is provisional and subject to change following any further instructions from the government.

If you have any questions, please contact the National 12-15 Covid-19 vaccination inbox: hsiccg.covid.vaccination.enquiries@nhs.net.

Yours sincerely

Mrs L Davis
