Dear Parents/Carers

GCSE Creative and Technical Arts

Textiles and Design & Technology projects which involve various materials including wood, plastic, fabrics and electronic components. Students use these materials to model and construct their final product.

In recent years we have asked for parents to make a small contribution towards the cost of these materials. Regrettably the cost of materials continues to rise and again we are asking for a contribution so that we can continue to provide the materials that our students need, otherwise these products will be recycled.

We will be extremely grateful if you could make a **£10.00** contribution to support us this year. The money will allow your son/daughter to bring home the items he/she makes during their Design and Technology or Textiles lessons.

To pay for your child's DT/Textiles materials contribution please visit [Scopay](#). If are not yet registered, please contact us and we will arrange this for you.

If your child is a Pupil Premium student (i.e. been in receipt of free school meals in the last six years) and some assistance with payment is required, please contact Mrs Connochie, sac@henrycort.org.

If you have any queries, please do not hesitate to contact us.

Yours sincerely

Mr G Challen
