Dear Parents / Carers

Face masks update

Following our Covid update yesterday and the latest government announcement, as cases continue to rise in college (a further 8 have been reported overnight), in order to continue to keep students and staff safe, we will not be relaxing the rules. Students and staff should continue to wear masks whilst in college, in classrooms, corridors and communal areas.

We will review this weekly as we do not want to be wearing masks in lessons unless we feel it is absolutely necessary. None of us want to see a surge in cases which could result in us having to send year groups home and, worst case scenario, temporarily closing the college.

We cannot stress enough the importance of twice weekly testing to ensure that we pick up cases and limit the spread. Please ensure your child is bringing in their saliva samples on Mondays and Thursdays or doing LFT tests and reporting the results to both the college and the NHS.

Many thanks for your continued support as we strive to keep students and staff safe and the college open.

Yours sincerely

Ms C Cabbage
