Dear Parents/Carers

Increase in Covid cases in Year 7

Unfortunately, despite recent government announcements, we continue to see a rise in Covid cases within college, significantly in Year 7.

We have sought further advice from both the DfE and Public Health England and, as a result, all students in Year 7, where consent has been given, have undertaken a lateral flow test during period 5 today. Please assume that your child was negative unless you hear differently.

This continuing rise in cases highlights the need for regular testing.

As previously stated, all students and staff should continue to wear masks (unless exempt) until we see a reduction in numbers.

We thank you for your continued support with our efforts to keep students and staff safe and the college fully open.

Yours sincerely

Ms C Cabbage
