Dear Parents / Carers

Design and Technology Non-Exam Assessment

I am writing to let you know that your child's deadline for the 'Non-Exam Assessment (NEA)' for Design and Technology is on **Tuesday 15 March**. This includes the electronic design portfolio and the prototype that they are currently making, both of which are worth 50% of their overall grade.

Students should aim to have their prototype completed before the half term break, however if they fail to do this, I would strongly advise that they attend the **half term workshop sessions on Monday 21 February** and/or **Tuesday 22 February** (9am – 4pm). Please note that the canteen will not be open so they will need to bring enough food and drink for the day. College uniform is not required.

A reminder that students can also attend the after college workshops every Thursday and also on Friday Week B to complete work. They must continue to improve their NEA slides for homework.

I would appreciate it if you could complete the [Design and Technology Workshops](#) form to indicate whether your child will be attending over half term by **Thursday 17 February**.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Miss H Phillips
