Dear Parent / Carer

Year 10 RE intervention workshops

I am writing to invite you to a pilot intervention that the Religious Education (RE) curriculum will be trialling for the first time. As you are aware, we are planning for Year 10 students to sit their RE GCSE towards the end of the academic year to support students gaining an early entry GCSE.

Based on your child's Pre Public Examination results and recent assessment data we feel that your child will benefit from attending a parent and child online series of RE intervention workshops, in order to support their progress. These workshops will be led by Mrs Turvey and Ms Ferrier. The idea behind the workshops is to involve parents to give you an understanding of the content and exam skills in order to support your child for taking their GCSE.

The workshops will recap key knowledge from across the curriculum, in order to access a range of exam questions and to focus on the assessment criteria. The first session will be an in-person event held at the college in order to introduce the programme and to ensure that students and parents are able to access the workshops that will be held over Google Meet/Microsoft Teams. There will also be an opportunity to recap key revision techniques that will be used across the sessions so that you feel confident supporting your child.

The first session will take place on **Wednesday 2 March** as an in-person event and will be held in the Library from **5:00pm until 5:45 pm**.

This will be followed by 45 minute online workshops, which will start at **5:00pm** on the following dates:

- **Wednesday 9 March**
- **Wednesday 16 March**
- **Wednesday 23 March**
- **Wednesday 30 March**
- **Wednesday 6 April**

If you and your child would like to take up this opportunity, please complete the following google form to confirm your attendance - [RE Intervention Workshops](#)

If you have any individual questions regarding this, please do not hesitate to email me let@henrycort.org.

Yours sincerely
