Dear Parents/Carers

Covid update

Following our last update at the end of January, we are pleased to report that following the sharp rise in cases this has now fallen with just 2% of student Covid absences. We will monitor case numbers daily and you will be notified as soon as practical, if this changes.

As from Monday 14 February, we will relax the rules for face masks to be worn in classrooms but in order to prevent cross year transmission masks should still be worn in corridors and when purchasing food in the canteen.

We hope to be able to remove the rules for mask wearing after half term unless students and staff wish to wear one, we will review and update you before we return on 28 February.

We cannot stress enough the importance of twice weekly testing to ensure that we pick up cases and limit the spread. Please ensure your child is bringing in their saliva samples on Mondays and Thursdays and/or doing LFT tests and reporting the results to both the college and the NHS.

If you are unsure whether you should send your child to college, please follow our COVID absence guidance found on our COVID-19 page: <https://www.henry-cort.hants.sch.uk/covid19>

Many thanks for your continued support as we strive to keep students and staff safe.

Yours sincerely

Ms C Cabbage
