Dear Parents and Carers

Year 9 Festival of Industries trip

We are making the most of things returning to normal and taking advantage of any career related activity that we possibly can.

This latest activity is run by SUN (Southern Universities Network) held at the University of Portsmouth on **Tuesday 14 June 2022**. This is one of the many events SUN run targeting students who live in specific post codes and those with a lower uptake of Higher Education.

There are 13 spaces reserved at this event which will look at careers within the creative and digital sector or engineering and manufacturing sector. We will not know which workshops we have been allocated until the day.

We will be leaving college at 8:30am and will be back in time for the buses at the end of the day. Students are expected to be in full uniform and to bring a packed lunch. If your child is in receipt of free school meals, then a packed lunch will be provided.

Places will be allocated on a first come, first served basis so please reply as soon as possible (and no later than 13th May) by completing the [Trips and Events Consent form](#).

If you require any further information then please get in touch either via the college office or by emailing me at sac@henrycort.org.

Yours sincerely

Mrs S Connochie
Transition Manager
