02 June 2025

Dear Parents and Carers

## **Goodwood Festival of Speed Trip**

We are very excited to have been given the opportunity to take 42 students to the Goodwood Festival of Speed on **Thursday 10 July 2025**. This trip will enhance and encourage any desire our students' may have to work in STEM (Science, Technology, Engineering, Maths) occupations.

We have selected year 7, 8 and 9 students at random from those who have shown a consistent, good standard of behaviour throughout the school year. Those who had an opportunity to attend last year, will not be able to attend this year. **We would like to invite your child to take part in this fantastic opportunity.**

The FOS Tech STEM Programme is for 11 to 16 year olds and gives young minds the opportunity to attend the Festival of Speed and explore a once in a lifetime programme of science, technology, engineering and mathematics activities.

**Students will need to be in college by 07:00** ready to leave via coach at 07:15. We will arrive back at the college at approximately 17:00. If your child usually gets on the late bus, please arrange an alternative way home.

Goodwood Festival of Speed have provided these tickets free of charge and have also agreed to cover the cost of our coach travel to and from the event. **Therefore, there will be no charge for this trip.** If you would like your child to attend, please complete this [consent form](#) by 12pm, Thursday 5 June. If you would prefer that your child did not attend, please let us know as soon as possible so that the space can be given to another student. If we have not received your consent by the date above, we will offer the space to another student.

Students will be required to wear **FULL** college uniform and to bring a packed lunch. If your child is in receipt of free school meals and requires a packed lunch to be provided, then please let us know on the form.

As always, attendance and behaviour will continue to be monitored and we reserve the right to remove a student from this trip.

If you have any queries, please contact us.

Yours sincerely

Mrs White

Head of Year 9

Teacher of Computer Science & Business Studies
