September 2025

Dear Parents and Carers of Year 5 and 6 pupils,

Open Events at The Henry Cort Community College

It is my pleasure to write to you and your child to invite you to our Open Evening which takes place on Tuesday 23 September and will start at 6:00pm.

The evening is your opportunity to come and see The Henry Cort Community College for yourself. We are a smaller secondary than others in the area which helps us to thrive through our community feel. This is also an exciting time for the college as we focus on continued school improvement, celebrate our best exam results in years from the class of 2025 and prepare for the relocation of the college to our new site in North Whiteley.

At Henry Cort we promote and celebrate enjoyment, effort and excellence with the aim for our students to develop the knowledge, skills and understanding they need to achieve their goals and play a full and active role in society. I hope that by attending our Open Evening you will be able to understand why we are proud of our college.

During the evening, I will be speaking with parents and carers at 6:15pm and 7:15pm in the Cort Theatre and you will be able to walk around the site to talk to staff and students and see a range of activities from our curriculum areas.

You can pre-register your attendance online by completing the form on the following link which can also be found on our website: <https://forms.office.com/e/j7brTAWXsQ>

If you would like to see the college during the school day, I am also able to offer you the opportunity to take a student led tour of our campus on the following days:

- Monday 29 September
- Tuesday 30 September
- Wednesday 1 October

Arrival for these tours will be at 9:30am for a greeting from myself and then a tour of the college. To book a place on any of our tours please indicate on the above link.

I very much look forward to meeting you on the 23rd September and I enclose a link to our prospectus for your perusal: [The Henry Cort Community College Prospectus](#)

Yours sincerely

Mr C Rice
Principal
