26 September 2025

Dear Parents/Carers

## **Year 9 Indra Visit - Thursday 16 October 2025**

We are very excited to have a new local employer on board to support our Careers Education and would like to invite your child to be one of the first students involved with this new partnership.

Indra Group, Whiteley are running a free session for 12 students to look at how Maths is relevant to the world of work, specifically in air traffic control. Indra work closely with National Air Traffic Services (NATs) and share their expertise in this field. Indra are also keen on opening STEM (Science, Technology, Engineering and Maths) opportunities to all young people who are interested. If you would like more information please visit [their website](#).

We will be departing Henry Cort via minibus at approximately 9.00am and will be returning by 11.30am – following a virtual session controlling our airspace!

If you would like your child to be considered for one of the 12 places, please complete [this form](#) by noon on Friday 3 October. If the trip is over-subscribed, then names will be drawn from a hat and the unsuccessful students will be added to a priority list if the event is repeated.

If you have any questions, please contact me by email [sac@henrycort.org](mailto:sac@henrycort.org) or via the college office.

Yours Sincerely,

Mrs S Hills  
Transition Manager
