16 October 2025

Dear Parents/Carers

GCSE Science Live!

I am pleased to inform you that we have the opportunity to take our Separate Science students to an exciting educational event in Brighton, hosted by *Science Live!* on **Tuesday, 27 January 2026**. This event features engaging talks from leading scientists as well as an AQA examiner and is designed to inspire and support students in their GCSE studies.

We will travel by coach to and from the venue, Brighton Dome. **We will be leaving at 8.30am and should return around 5pm, traffic dependent.** Students will need to be in full college uniform and bring a packed lunch and drink. They also need to bring a notebook and pen to take notes during the talks.

The cost of this trip is £40. If you would like your child to attend please visit Scopay and make a payment by Wednesday 22 October 2025. If spaces remain available by this date, they will be offered to other students in the year.

Yours sincerely,

Mr M Rake
Faculty Lead - Science and PE
