8 June 2026

Dear Parent/Carer

## **Preparing for KS4 Evening**

As your young person approaches Key Stage 4, I am pleased to invite you and your child to our **Preparing for KS4 Evening on Tuesday 16 June at 6:00pm**. The event will last approximately one hour.

This evening is designed to support both students and families as they begin this important stage of their education. We will share key information from core subjects, provide practical revision strategies across all areas, and explain the process for accessing exam support. We will also explore the vital role of relationships, attendance, the home environment, and where to seek support when needed.

There will be opportunities for parents, carers and students to reflect on their aspirations for the next two years and begin creating a simple, personalised action plan to support success.

The focus of the evening will be:

- How Key Stage 4 is different
- What the next two years will look like
- How students can be fully prepared for success

This event was extremely popular last year, and places are limited. Attendance is therefore by sign-up only, and both parents/carers and their young person must have secured a place to attend. Once capacity is reached, bookings will close.

To reserve your place, please complete the form using the following link: [Preparing for KS4 Evening 2026 – Fill out form](#)

The deadline for responses is **Friday 12 June 2026**.

If the evening reaches full capacity, a waiting list will be created. Any additional places that become available will be allocated in order of form submission.

I very much look forward to welcoming you for what promises to be a positive, informative and purposeful evening, supporting your young person to achieve their very best.

Yours sincerely

Mrs S Warner  
Assistant Principal – Personal Development
