Dear Parents/Carers,

We have been asked by the Admissions Team at Hampshire County Council to make you aware of the following changes.

The Henry Cort Community College Relocation and Admissions Changes

Please be aware that The Henry Cort Community College will relocate to a new school building in North Whiteley from September 2027. As a result, there will be changes to secondary school catchment areas and admission arrangements for children applying for a Year 7 place in September 2027.

These changes may affect families who:

- Have a child due to transfer to secondary school in September 2027.
- Live within the current Henry Cort Community College catchment area.
- Are considering applying for a place at The Henry Cort Community College.

The changes include:

- A revised catchment area for The Henry Cort Community College serving North Whiteley.
- Parts of the current catchment area transferring to Cams Hill School and Fareham Academy.
- Changes to linked school arrangements as a result of the revised catchment areas.

Transitional arrangements for some families who already have children attending The Henry Cort Community College.

Full details, including admission policies, catchment maps, transitional arrangements, and frequently asked questions are available on the Hampshire County Council website at:
