10 September 2026

Dear Parents and Carers

## **Extra-Curricular Enrichment Activities**

We are excited to announce the launch of our extra-curricular enrichment activities for the upcoming half term. This program is designed to provide students with opportunities to explore new interests, develop valuable skills, meet new people and engage in fun, educational experiences beyond the classroom.

Activities offered this half term include some of the following:

- **STEM Club** – Hands-on science and technology projects
- **Creative Arts** – Drawing, painting, and crafts
- **Drama and Theatre** – Acting, improvisation, and stage skills
- **Sports and Fitness** – Team games and physical activities
- **Music and Choir** – Singing, instruments, and musical exploration
- **Homework help and study skills** – Academic support in a relaxed setting

Please see attached the programme for this half term. If your young person is interested in representing the college in sports fixtures, more information will come directly to you from the PE Department.

## **Schedule and Registration**

We have set up a centralised system to help aid the communication of our extra-curricular offer to students and parents. Each half term I will contact you regarding the clubs we are offering as although some of our activities will run a whole term or longer, some are shorter projects, workshops or experiences to help us provide a range of opportunities that will hopefully appeal to a wide range of students.

Activities will run Monday to Friday either during lunch or after college from 2:40pm to 3:40pm, starting 14 September 2026. To enable all students to participate, we run a late bus service Tuesday to Thursday departing at 3:50pm. Details of stops can be found on the transport page on our website.

Students may sign up for one or more activities depending on their interests and availability via Edulink. Spaces are limited, so we encourage early registration by clicking on the 'Clubs' icon on the home page of the Edulink app. Places will be allocated on a first come, first served basis.

## **ASPIRE**

ACHIEVEMENT \* SUPPORT \* PERSEVERANCE \* INDIVIDUALITY \* RESPECT \* EXCELLENCE

We believe these enrichment opportunities will greatly benefit our students by fostering creativity, collaboration, and confidence.

If you have any questions or need further information, please do not hesitate to contact us via your young person's tutor.

Thank you for your continued support.

Yours sincerely

A handwritten signature in cursive script, appearing to read 'S Warner'.

Mrs S Warner  
Assistant Principal
