Dear Parents/Carers

Numeracy Intervention

Following on from the interventions last term, I have identified **<Student name>** would benefit from continuing with these sessions. This intervention focuses on their numeracy skills, with the aim of improving the speed and accuracy of recall of number facts.

The intervention will take place two times a week during tutor time. I will speak to **<student name>** before the end of this week to confirm the schedule and location of each session. Each session will last 20 minutes and will begin the week beginning Monday 21st September 2026.

If you have any questions about the intervention, please feel free to contact me via edulink.

Yours sincerely,

Mrs O Kemp
Numeracy Intervention Lead
